The British Association for the  
Study of Community Dentistry

Dear Member,

### **Nominations for President Elect**

#### **President Elect (for the year 2012 – 2013)**

BASCD Council wishes to remind you that the President is now nominated by members of BASCD, and voted on by the whole membership.

Nominations are requested for any full member of the Association who normally will have served the society as a council member and therefore understands the responsibilities and commitment needed to be President. They must be willing to stand for the office of the President, and be proposed and seconded by full members. A short summary of the reasons why this member should be president is requested. A maximum of half a side of A4 is recommended. This may subsequently be used as information for members if an election takes place.

Nominations can be sent by e-mail to the Secretary at: [kamini.shah@northteespct.nhs.uk](mailto:kamini.shah@northteespct.nhs.uk), or by fax, or post to the above address. Closing date is 28th February 2010.

Yours sincerely,

**Kamini Shah**  
**Honorary Secretary, BASCD**
