

Quality Assurance Information for BASCD Winter Webinar Series: Evidence, Policy and Practice, the realities of COVID-19 and dentistry.

Title of enhanced CPD	Winter Webinar Series: Evidence, Policy and Practice, the realities of COVID-19 and dentistry.
Learning content	Presentations to reflect on the synergy between evidence, policy and practice in oral health as part of the response to the coronavirus pandemic.
Learning provider	BASCD
Aim	To reflect on the past year, the barriers and opportunities and consider how we can use our new learning during such an unusual time to plan to go forwards.
Learning objectives	<ul style="list-style-type: none"> • Have an understanding of: <ul style="list-style-type: none"> ○ the rapid appraisal of the evidence relating to delivering dentistry during the pandemic; ○ how this evidence was used to inform policy; ○ and how this translated into service delivery. • Have increased appreciation of the complexity of the response to the pandemic taking into consideration, translating evidence into policy and practice in a very tight time frame. • Reflect on this learning to help plan for the future of dentistry during the COVID-19 pandemic
Anticipated GDC Development Outcome(s)	C - Maintenance and development of knowledge and skill within your field of practice.
Dental professional 'Active Participation' required to meet enhanced CPD requirement	<ul style="list-style-type: none"> • Attendance of the 3 x 1-hour webinar sessions • Completion and submission of an assessment of learning and participation (evaluation form) • Complete reflective question(s) on reverse of certificate
Presentation content QA	Presentations have been reviewed by Maria Morgan, Senior Lecturer in Dental Public Health, and Fellow of the Faculty of Public Health
Speaker(s) QA	All speakers are confirmed as being experts in their field
Attendance confirmation	Via online register
How does the presentation content relate to the development outcome(s)	<p>Presentations support development of knowledge and skill in the core public health competencies of translating evidence into policy and practice – during such unusual times.</p> <p>The unique aspect of these presentations is that this process has happened during a few months when it can often take decades.</p>
Evidence of enhanced CPD	Enhanced CPD certificate in line with all GDC requirements
Number of enhanced hours	Anticipated hours: Day 1 – 1 hour

	Day 2 – 1 hour Day 3 – 1 hour All Days - 3 hours Actual hours will be recorded on the certificate as provided by the dental professional on assessment of learning and participation
